1	RF LAN GSM	**KSS-BASIC-1-W** (High White) **KSS-BASIC-1-B** (Carbon Black)	**1.250,00 $**	**CompleteSet-BASIC 1** Starter set with AlarmManager-BASIC and all needed accessories to protect one IT-room with around 20sqm. **Content of delivery:** 1 pc AlarmManager-BASIC with wall-plug power supply 1 pc MultiSensor-RF 1 pc Modular-Cable 10m 1 pc Patch-Cable 3m **Application:** IT-rooms up to 2.000sqft	NETWORK + WIRELESS
2	RF LAN GSM	**KSS-PRO-1-W** (High White) **KSS-PRO-1-B** (Carbon Black)	**1.650,00 $**	**CompleteSet-PRO 1** Starter set with AlarmManger-PRO and all needed accessories to protect one IT-room with around 20sqm. **Content of delivery:** 1 pc AlarmManager-PRO with wall-plug power supply 1 pc MultiSensor-RF 1 pc Modular-Cable 10m 1 pc Patch-Cable 3m **Application:** IT-rooms or distributed facilities up to 20.000sqft	
3	RF LAN GSM	**KSS-PRO-2-W** (High White) **KSS-PRO-2-B** (Carbon Black)	**2.560,00 $**	**CompleteSet-PRO 2** Starter set with AlarmManager-PRO and all needed accessories to protect two distributed IT-rooms with around 40sqm. **Content of delivery:** 1 pc AlarmManager-PRO with wall-plug power supply 1 pc MultiSensor-RF 1 pc MultiSensor-LAN 1 pc KeyPad 1 pc Power-Adapter with wall-plug power supply 1 pc Patch-Cable 3m 2 pc Modular-Cable 5/10m **Application:** IT-rooms or distributed facilities up to 20.000sqft	
4	RF LAN	**KMS-LAN-RF-W** (High White) **KMS-LAN-RF-B** (Carbon Black)	**710,00 $**	**MultiSensor-LAN with ZigBee RF-repeater integr. Web-Server and power over ethernet (PoE)** Room surveillance and building of distributed ZigBee (RF) cells, use with KeyPad or other MultiSensor-RF. **Content of delivery:** KMS-LAN-RF, mounting material **Extention for:** KAM-PRO, Stand-Alone	

	MultiSensors	Art-No	Price	Description	
5	LAN PoE	**KMS-LAN-W** (High White) **KMS-LAN-B** (Carbon Black)	**625,00 $**	**MultiSensor-LAN with integrated Web-Server and Power over Ethernet (PoE)** **Content of delivery:** KMS-LAN, mounting material **Extention for:** KAM-PRO, Stand-Alone	NETWORK
6	LAN PDU	**KMS-RACK**	**1.170,00 $**	**MultiSensor-RACK** Rack monitoring and early threat detection with integrated PDU and voltage analysis. **Content of delivery:** KMS-RACK, power cables (C20/19), 19" mounting-angles **Extention for:** KAM-PRO, Stand-Alone	
7	LAN PoE	**KIO7052** (8 IN-/Outputs) **KIO7053** (16 Inputs)	**615,00 $**	**Digitial I/O expansion module for external Alarms** To expand the AlarmManager-PRO for external alarm inputs and outputs. Connection via Ethernet and PoE. **KIO7052: 8-digital inputs, 8-digital outputs** **KIO7053: 16-digital inputs** **Content of delivery:** KIO70xx, power-supply 100-240VAC/24VDC	
8	RF	**KMS-RF-B** (Carbon Black) **KMS-RF-W** (High White)	**495,00 $**	**MultiSensor-RF with carbon look chassis** **Content of delivery:** KMS-RF, mounting material **Extention for:** KAM-BASIC/-PRO, KMS-LAN-RF	WIRELESS
9	RF BATT	**KMS-DOOR** (High White)	**275,00 $**	**MultiSensor-DOOR with ZigBee RF** MultiSensor to detect changes in position of doors, windows and moving objects including climate monitoring. **Content of delivery:** KMS-DOOR, 3.6V lithium battery, door-magnet **Erweiterung zu:** KAM-BASIC/-PRO, KMS-LAN-RF	
10	RF	**KMS-RACK-MINI** (Carbon Black)	**275,00 $**	**MultiSensor-RACK-MINI with ZigBee Radio** To monitor the climate data in IT racks inlcuding rack door monitoring. The power is supplied via USB. **Content of delivery:** KMS-RACK-MINI, door-magnet, USB-cable 3m **Erweiterung zu:** KAM-BASIC/-PRO, KMS-LAN-RF	

	KeyPads	Art-No	Price	Description	
11	RF	KKP	475,00 $	**KeyPad in High White Look** Wall mount Keypad with 12 keys. **Content of delivery:** KKP, Mounting material, 2 batteries (AAA) **Extention for:** KAM-BASIC/-PRO, KMS-LAN-RF	WIRELESS
12	RF Legic®	KKP-L	710,00 $	**KeyPad in High White Look with Legic® Card Reader** Wall mount Keypad with 12 keys and Legic® RFID reader technology. **Content of delivery:** KKP-L, Mounting material, 2 pc Legic® RFID Token, 2 batteries (AAA) **Extention for:** KAM-BASIC/-PRO, KMS-LAN-RF	
13	RF Mifare®	KKP-M	710,00 $	**KeyPad in High White Look with Mifare® Card Reader** Wall mount Keypad with 12 keys and Mifare® RFID reader technology. **Content of delivery:** KKP-M, Mounting material, 2 pc Mifare® RFID Token, 2 batteries (AAA) **Extention for:** KAM-BASIC/-PRO, KMS-LAN-RF	
14	RF Hitag®	KKP-H	710,00 $	**KeyPad in High White Look with Hitag® 125kHz Card Reader** Wall mount Keypad with 12 keys and Hitag® RFID reader technology. **Content of delivery:** KKP-H, Mounting material, 2 batteries (AAA) **Extention for:** KAM-BASIC/-PRO, KMS-LAN-RF	
15	Legic®	KKT-L	15,50 $	**Legic® RFID Token for KeyPad** RFID Token with Legic technology for code-/keyless control of the Kentix KeyPad. **Content of delivery:** Legic token without printing	
16	Mifare®	KKT-M	15,50 $	**Mifare® RFID Token for KeyPad** RFID Token with Mifare technology for code-/keyless control of the Kentix KeyPad. **Content of delivery:** Mifare token without printing	

AlarmManager & Accessories		Art-No	Price	Description	
17		**KAM-BASIC-W** (High White) **KAM-BASIC-B** (Carbon Black)	**845,00 $**	**AlarmManager-BASIC** Up to 10 MultiSensor-RF and KeyPads. **Content of delivery:** KAM-BASIC, GSM-antenna, Zigbee-antenna, mounting brackets, power supply	NETWORK + WIRELESS
18		**KAM-PRO-W** (High White) **KAM-PRO-B** (Carbon Black)	**1.240,00 $**	**AlarmManager-PRO** Up to 100 MultiSensor-RF/-LAN/-RACK and KeyPads. **Content of delivery:** KAM-PRO, GSM-antenna, Zigbee-antenna, mounting brackets, power supply	
19	 KAM-BASIC KAM-PRO	**KAM-PRO-UPD**	**495,00 $**	**Update from AlarmManager-BASIC to PRO** Function update from AlarmManager-BASIC to AlarmManager-PRO. The update will processed by a soft license key. The update is available for KAM-BASIC devices delivered after 08/2013. **Content of delivery:** License key	
20		**KLS03**	**245,00 $**	**Leakage-Sensor** Leakage sensor for direct connection to MultiSensor-RF / LAN / RACK or AlarmManager-BASIC / PRO via Kentix system port. Sensor is up to 5 times cascadable. **Content of delivery:** KLS03 with 10m patch cable **Extention for:** KAM-BASIC/-PRO, KMS-LAN/-RF/-RACK	Accessories
21		**KSG1800**	**365,00 $**	**Alarm siren for outdoor use at Kentix system socket** Rugged, weatherproof outdoor siren sound pressure of 110 dB (A) 1m, LED flash technology, flash up or down mountable, protection class: IP43 **Content of delivery:** KSG1800, power-supply 12V/12W, 10m patch cable **Extention for:** KAM-BASIC/-PRO, KMS-LAN/-RF/-RACK	
22		**KSG1681**	**115,00 $**	**Alarm siren for indoor use at Kentix system socket** SPL: 100 dB (A) 1m, flashing light and siren, protection class: IP34 **Content of delivery:** KSG1681, power-supply 12V/12W, 10m patch cable **Extention for:** KAM-BASIC/-PRO, KMS-LAN/-RF/-RACK	

	Accessories	Art-No	Price	Description
23		KIO1	76,00 $	**Power-Adapter with digital inputs** Adapter block for connection of 2 MultiSensor-RF to a power supply and connection to the Kentix system port. With terminal block for two digital alarm inputs. **Content of delivery**: KIO1, Power-Supply 24V/12W, slim-line patch-cable 5m
24		KIO2	35,00 $	**Power-Adapter** Adapter block with power-supply for connecting a MultiSensor to Kentix system socket via patch- or modular-cable. **Content of delivery**: KIO2, Power-Supply 24V/12W, modular-cable 10m
25		KIO3	99,00 $	**Power-Adapter with digital in-/output terminals** Extensions module with 2 digital inputs and 2 relay outputs for connection to the Kentix system port. **Content of delivery**: KIO3, Power-Supply 24V/12W, slim-line patch-cable 5m **Extention for:** KAM-BASIC/-PRO, KMS-LAN/-RF/-RACK
26		KPOE150S	49,00 $	**PoE Injector for MultiSensor-LAN** To supply power to PoE devices like MultiSensor-LAN if no PoE switch is available. **Content of delivery**: PoE injector, power supply 48VDC, description
27		KMC1 KMC3 KMC5 KMC10	7,00 $ 10,00 $ 13,00 $ 15,00 $	**Slim-Line Patch-Cabel black 3/5/10m (CAT 6)** Cables for KIO power-adapter and power-supply of MultiSensor and AlarmManager in various lengths. Suitable as a network cable (CAT6, UTP). **For connection to KIO1/2/3**
28		KDC1-W	59,00 $	**Door Contact for Kentix System Port** Door- magentsensor for direct connection to Kentix system port. **Content of delivery:** KSC1-W with RJ45 plug, 3m cable length **Extention for:** KAM-BASIC/-PRO, KMS-LAN/-RF/-RACK
29		CO-TEST-3	38 $	**CO Gas for test of MultiSensors** Targeted testing of the CO sensor unit in the MultiSensor, non-flammable. Composition: 1850ppm carbon monoxide, rest nitrogen
